and Adelphi University  
Present**

**Mapping to the Common Core:  
How to Upgrade Curriculum and Assessment  
for 21<sup>st</sup> Century Learners**

**Dr. Heidi Hayes Jacobs  
March 6, 2012**

**Dr. Heidi Hayes Jacobs**, creator of Curriculum21, is also the founder and president of Curriculum Designers, Inc. and Executive Director of the National Curriculum Mapping Institute and Academy. Heidi has served as an education consultant to thousands of schools nationally and internationally. She works with schools and districts K-12 on issues and practices pertaining to: curriculum reform, instructional strategies to encourage critical thinking and, strategic planning. She has had numerous articles published in professional journals. She is the author of six books, most recently *The Curriculum Mapping Planner: Templates and Tools for Effective Professional Development*, co-authored with Ann Johnson; and, *Curriculum 21: Essential Education for A Changing World*.

Dr. Heidi Hayes Jacobs will provide specific hands-on strategies to assist you in aligning your units and courses to the Common Core Learning Standards, and assist you in “upgrading” to match the needs of our 21st century learners.

**BRING YOUR LAPTOPS and TABLETS** as Heidi will engage participants in her dynamic MTTC (Mapping to the Core) Four-Phase Model. The model is based on years of experience with aligning to standards and recent emphasis on modernizing our classrooms. (As featured in her publication with ASCD, *Curriculum 21: Essential Education for Changing World*.) You will get the nuts and bolts on how to integrate standards into your classroom curriculum and replace dated practices with resources and web 2.0 tools. There will be a guided work-session to align one of your existing units and courses so **BRING YOUR LAPTOPS and TABLETS** to roll up your sleeves! This will be an engaging and productive workshop. There will be a limited number of laptops available for use.

Participants will learn strategies to help do the following:

- Use the Common Core Learning Standards as a springboard to revise and replace dated curriculum and instruction
- Develop a model unit curriculum map that emphasizes coherence, focus, and rigor
- Examine web 2.0 strategies for helping to REPLACE dated curriculum and instruction
- Use standards as a launching point to strengthen alignment and vertical articulation among all of the critical components on a map
- Upgrade the curriculum to incorporate engaging 21st Century instructional strategies, assessments, and skills

**Registration Instructions**

- ❖ **Go to [nassautract.org](http://nassautract.org)**
- ❖ **Click on conferences**
- ❖ **Follow the link to My Learning Plan**
- ❖ **Register on My Learning plan**

If you do not have an MLP account create one free of charge by completing the enrollment process on My Learning Plan and choosing new user. There is no charge for an account.
