Nassau TRACT Teacher Center Invites Teachers and Parents to an Evening at the Nassau County Museum of Art

**Join us for a professional development
opportunity exploring the many facets of this
Nassau County treasure.**

The Nassau TRACT Teacher Center invites you to a presentation and tour of the beautiful Nassau County Museum of Art. Walk the grounds and receive a guided tour of the museum with Laura Lynch, the Co-Director of Education, as she discusses the multiculturalism presented through the work of Francisco Goya and the importance of visual literacy on your child's/student's development as a learner.

Ranked among the nation's most important suburban art museums, the Nassau County Museum of Art is situated on 145 acres. It occupies an elegant Georgian mansion that exemplifies the Gold coast architecture of the late 19th century. The site includes formal gardens, an outdoor sculpture garden, rolling lawns and meadows, ponds and the Tee Ridder Miniatures Museum.

The museum offers programs that integrate the realms of art, literature, music and dance. The Museum's fall schedule includes exhibits by Goya and Rimer Cardillo.

Enjoy a night strolling the grounds and taking in the beauty of the museum!
